

Planning Committee Meeting- Thursday March 3, 2005

The meeting was called to order by David Sovis at 7:45 P.M.

Members present—Givens, Dave Sovis, Smalec Stevens, Semans and Richards.

The minutes of the January 6th meeting was read by David Sovis. Semans moved to accept the minutes as read. Seconded by Stevens. Motion carried.

Tony Sinicropi and Mrs. Whitehead were visitors at the meeting.

Dave brought to our attention the fax that was attached to the minutes of the January 6th meeting. This was a copy of the fax that Owosso Speedway had sent to Gary Palmer and John Enos of the Shiawassee County Community Development Dept.

We had some discussion about the Owosso Speedway but no action was taken at this time because we still don't have enough information. Mrs. Whitehead was there to discuss the Owosso Speedway situation.

The general feeling of the board is we will do whatever we can to help the Owosso Speedway to survive within the limits of the law.

Dave had a draft of the new ordinance that the county has drawn up concerning an animal refuge. He just wanted us to be aware of what was going on in this area.

Audrey Sovis arrived at 8:45 p.m.

Meeting adjourned at 9:00 p.m.
